Date: 2011 – Present

Sector: Government and Military

Region: International: UAE, Afghanistan, Jordan, U.S.A.

Expertise Used: Dangerous Goods
Heavy Lift
Freight Forwarding

Challenge: Limited storage capacity at airfields
Highly visible cargo in midst of ongoing insurgency
High volumes with tight deadlines
Constantly changing regulations

Solution: Expanded operations into 3 additional airbases to further air lift capacity
Vetting and utilization of host government approved armed escort
Effective planning to ensure cargo flow and optimum usage of assets
Implementation of rigorous communication procedures

As part of our operations in Afghanistan, Move One is currently handling the deployment and redeployment of military assets into and out of the country. Move One is responsible for the collection and delivery of rolling stock and containerized cargo from remote FOBs to major airbases. The equipment is then shipped out of Afghanistan via airfreight and onward to the USA via ocean freight from Jebel Ali, UAE and Aqaba, Jordan. In a four month period, Move One has moved more than 6 million kgs of cargo out of Afghanistan. The services provided included: palletization, re-weighing on calibrated scales, issuance of complete transport documentation, and air craft loading and unloading (B747, AN124, IL76, etc).
